

**AGRICULTURAL EMPLOYEE AFFIDAVIT
FOR EMPLOYEE HOUSING**

I, _____, state that the residential structure described below will be occupied solely as an agricultural employee dwelling unit without rent provided to an individual and related family member who is/are employed in an agricultural use, including farms, garden, greenhouse, nursery, orchard, ranch, small animal farm for production of poultry, fish, furbearing or other small animals, as prescribed in the Garfield County Unified Land Use Resolution of 2008 Article XVI Agricultural Products. I further state that the residential structure is located on Agricultural Land defined in Article XVI of the Garfield County Unified Land Use Resolution of 2008.

It is agreed that proof of employment, in the form of Internal Revenue Service Forms W-2 or 1099 for each person employed as described above will be submitted to the Garfield County Building and Planning Department upon request by the county. Failure to provide this information for each year the unit is occupied will result in a code violation, revocation of this status, and fines allowed by law.

It is agreed that this property will not be sold to another party without representing that the agricultural employee dwelling structure is for agricultural employees only and may not be used for any other purpose.
