Garfield County Energy Advisory Board
Invites You to a Community Program

ENVIRONMENTALLY FRIENDLY DRILLING PRACTICES?
FIELD TRIALS HIGHLIGHT HOW TO ADDRESS ENVIRONMENTAL ISSUES

When: Thursday, August 4, 2016
Beginning at 5:30 p.m., dinner and social time is provided for attendees. Meeting will begin promptly at 6:00 p.m.

Where: Rifle Branch Library - 207 East Avenue, Rifle, Colorado

Dr. Richard Haut, Managing Director, Environmentally Friendly Drilling Program, Houston Advanced Research Center

Presentation description: What is a “Green Completion” and does it fully protect the environment? Dr. Haut will discuss the latest oil and gas drilling field research and newly discovered best practices and opportunities to reduce societal and environmental impacts.

The Energy Advisory Board is a monthly forum for the public, oil and gas industry, landowners and local government to engage in positive and proactive communication and actions that encourage responsible and balanced development of energy resources.

Ursa Battlement Mesa Permit Applications

- County permit application was approved for 2 well pads within Battlement Mesa PUD

- COGCC approved BMC-D well pad and expect to make decision on BMC-B pad in August
  - Numerous County COAs were adopted or enhanced within the COGCC permit

- **Community Outreach:** Oil & Gas Liaison has standing agenda item at Battlement Mesa Service Association Board meetings and monthly column in their newsletter
Large Urban Mitigation Area consultation

- Fosters early discussions among industry and local government for ‘urban’ well pads
- Garfield County is consulting on a proposed well pad near Grand Valley High School and have included the School District in the process
- To be discussed at September 20 School Board meeting
BLM Existing Leases EIS

- BLM released Final EIS for 65 leases in White River National Forest
- Proposes to cancel 25 leases on the Thompson Divide
- Adds 1993 ROD Lease Stipulations to leases already tied to production
- 30-day review period through September 4th
OIL & GAS HEALTH INFORMATION AND RESPONSE SYSTEM

Created and operated by Colorado Department of Public Health and Environment in response to Governor’s Oil and Gas Task Force Recommendation
