Garfield County Energy Advisory Board in Print, Radio, TV and Internet Media

Garfield County Energy Advisory Board Invites You to a Community Program

US NATURAL GAS AND CRUDE OIL MARKET ANALYSIS: PRESENT AND FUTURE

When: Thursday, December 7, 2017
Beginning at 5:30 p.m., dinner and social time is provided for attendees. Meeting will begin promptly at 6:00 p.m.

Where: Garfield County Rifle Administration Building
Second Floor, 195 W. 14th Street, Rifle, Colorado

Hakan Corapcioğlu,
Energy Market Analyst, Drillinginfo

Natural gas and crude oil market dynamics determine prices and therefore determines investment outcomes, local/state/federal tax revenue, the value of mineral rights, and local land use for drilling and infrastructure buildout. This presentation will discuss the supply/demand dynamics that are driving current and future prices, and the specific role the Piceance Basin will play going forward.
