If Garfield County sees a significant rise in cases, percent positivity, or hospitalizations, then the program may be suspended. This automatically
occurs if the region reaches more than 90% of their county’s/RETAC ICU hospital capacity.

a. If the facility is not following the requirements laid out in this permit, this permit may be revoked at the discretion of
Garfield County.

b. A copy of this document must be visible to the public at the entrance of the business.
