

Garfield County

Road and Bridge

OVERSIZE/OVERWEIGHT PERMIT APPLICATION REQUIREMENTS:

1. **If your Company is applying for the *first time* for an Oversize and/or Overweight Permit for hauling on Garfield County roads, please supply the following with your completed application:**
 - a. Complete Transportation Permit Application
 - b. Copy of each vehicle(s) Insurance and Registration (Cab Card)
 - c. Copy of Certificate of Liability Insurance showing Garfield County as an Additional insured (if no Bond is being used)
2. **Permits are *final* once issued. Permits cannot be voided, transferred, altered, or extended.**
 - a. Permit dates may be issued up to three consecutive days at request.
3. **Permits will not be issued after 5pm. Any applications received after 4:30pm may not be issued until the following business day.**
4. **Permits are issued in order they are received.**
5. **Permits must be paid with a Visa or MasterCard unless approved charge account has been obtained with Garfield County Road and Bridge.**

Make sure your Permit Application is complete with all required information before sending. Completed Permit Applications may be faxed to 970-625-8627 or e-mailed to roadandbridge@garfield-county.com

Permits will not be issued until all the above requirements have been received by the permitting office.

The Permit processing will move a lot smoother and you will receive your Permit much quicker if the above requirements are met at the time of application.

We look forward to working with you and your Company.

Thank you!
