MUST BE SIGNED BY LAND OWNER **Release and Indemnity Agreement for Weed Cost Share Program**

All participating land owners in the Garfield County / Conservation Districts' Weed Cost Share Program must sign this release.

1. The undersigned wishes to participate in the Weed Cost Share Program, as described in the Weed Management Plan attached to this Application, for the purpose of controlling the weeds specified on the project area map included in the Weed Management Plan and for the protection of property throughout Garfield County.
2. The undersigned is a volunteer Weed Cost Share Program participant, is over 18 years of age, and owns the land to which the Weed Management Plan will be applied.
3. The undersigned acknowledges that control of weeds through the use of herbicides and mechanical and other methods can be dangerous or hazardous activities. The undersigned also acknowledges that there may be hazards not immediately apparent in the use herbicide, mechanical and other methods of weed control. The undersigned, therefore, certifies that he/she will strictly adhere to herbicide label restrictions if he/she applies an herbicide, rather than obtaining application services, and will exercise caution in the use of all other methods of weed control.
4. The undersigned, aware of these factors, undertakes activities in the Weed Cost Share Program at his/her own risk and releases the Board of Commissioners of Garfield County, the Garfield County Vegetation Management Department, the Garfield County Weed Advisory Board, the Natural Resources Conservation Service, Bookcliff, South Side, and Mount Sopris Conservation Districts, their employees and agents and all members thereof, in their personal and official capacities, from any liability whatsoever resulting from any injury to the undersigned or the undersigned's real and personal property due to or related to the undersigned's participation in the Weed Cost Share Program. This release applies whether dangers or hazards are, or are not, apparent to the undersigned.
5. Further, the undersigned agrees to fully defend and indemnify the entities and individuals, named in Paragraph 4, from any claim or lawsuit or loss by any third party (ies) resulting from the undersigned's participation in the Weed Cost Share Program, including application of herbicides to the undersigned's land.

6. Nothing in this Release and Indemnity Agreement shall be construed as or is intended to be a waiver of governmental immunity under Colorado law.

Noxious Weed Cost Share Policy

1. Will cost share up to \$125 per acre (\$250 total cost), maximum of \$1,000 per landowner under 160 acres, \$1,250 for landowners between 160 and 320 acres, and \$1,500 for landowners 320+ acres. Must supply Social Security number or Tax ID number for reimbursement over \$600, will receive 1099 in January of next year.
2. Provide separate map for each property showing weed species and location. Map must show physical address and north arrow.
3. Separate receipt and bills must be provided for each application. Duplicate receipts on another application will result in disapproval of both applications.
4. Professional or paid applicators must provide state pesticide applicators license number. Payment will not be made without documentation.
5. Homeowners Associations (HOA's) may only submit applications for common areas within a subdivision (for example: open spaces, roadsides, or utility easements). Applications for individual lot owners within a subdivision must be submitted and signed by the property owner of record.
6. Application must be easily understood, neat and concise. Weed spray work must not be mixed with other lawn care, landscaping activities.
7. Payment will be limited to \$100 per Tamarisk or Russian olive for urban setting; case by case basis for rural setting.
8. State the preliminary amount you expect cost share on.
9. Cost share only on the weeds listed on the application.
10. Treatment shall be proven science based. When chemicals or soil amendments application are used, rates must met EPA label requirements. Only approved treatment methods by Colorado Department of Agriculture will be cost shared.
11. Separate property, same ownership will require separate tax ID number if two applications are received.
12. Seeding will be reviewed on a case by case basis. Seeding must be a best management practice to control or prevent weeds, not as production of hay, pasture or rangeland.
13. Equipment can be reimbursed on a case by case basis, with the maximum remaining at \$1,000 per landowner. Such equipment cannot be used commercially.
14. The review committee consists of landowner volunteers from the Conservation District Boards and the Garfield County Weed Advisory Board. Applicants shall not contact the review committee individually to discuss the project. All projects will only be discussed and selected by the review committee on the predetermined committee meeting date(s). Applicants are welcome to attend the review committee meeting. Contact the Conservation Districts for review committee meeting date (s) if interested. Acceptance of the application by the District, NRCS, or Garfield County staff does not constitute approval of the application by the review committee.
